Scheduled Training

We offer an extensive programme of activities including scheduled courses and eLearning modules designed to address the needs of people working in non-profits across Ireland.

Individual courses concentrate on a specific topic but are practically focused and use participative methods to allow participants the opportunity to learn from others working in the sector. Training can also be delivered on a customised basis at any location around the country.

Customised Training & Support

Carmichael runs customised training throughout Ireland to meet the specific needs of your organisation. Let us know how we can help. Topics include:

Charities Governance Code
Governance & Compliance
Board Roles & Responsibilities
Board Induction
Charities Act / Companies Act
Strategic Planning
Finance
Developing Business Plans
Communications/Social Media

Other supports include:

Governance Reviews
Charities Governance Code Compliance Reviews
Board Evaluations (see website for more details)
Board Skills Audits
Strategic Planning

E-Learning

We want to give learners the information and professional development needed in an accessible and flexible format and we have developed a number of e-learning courses designed to meet those needs.

Why choose E-Learning:

Easy access: Learners can access courses from the comfort of their own home or office.

Flexibility: Self-paced learning to meet individual needs.

Cost-effective: Less time and expense to travel to and from training.

Environmentally friendly: e-Learning can mean less paperwork is created and no travel reduces the carbon footprint.

Topics available are:

- How to take Meeting Minutes
- Role of the Chairperson
- Role of the Treasurer
- The Role of Company Secretary of a CLG
- GDPR – Level 1 or Level 2
- The Companies Act – Implications for CLG
- Risk Management
